

Less than 1 in 10 stroke victims get to the hospital in time for a full recovery.

# ACT FAST

## RECOGNIZE STROKE WARNING SIGNS

As a member of the Stroke Care Now Network, KCH provides 24/7 immediate diagnosis for stroke and vascular diseases. Using a Telemedicine System, patients are instantly connected with a stroke care specialist to help implement treatment based on the patient's personal symptoms.

### FACE

Has their face fallen on one side?  
Can they smile?

### ARMS

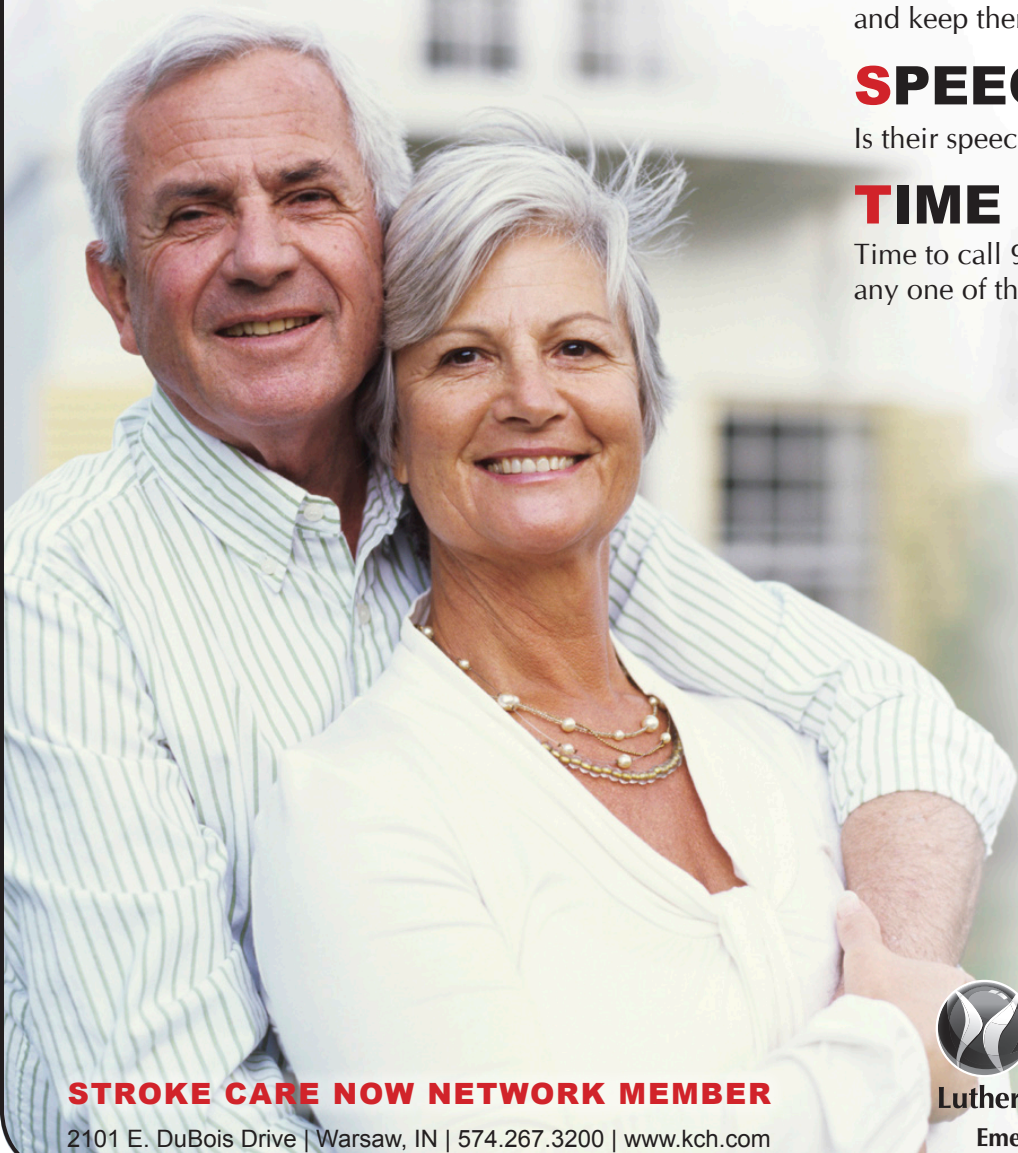

Can they raise both arms  
and keep them there?

### SPEECH

Is their speech slurred?

### TIME

Time to call 911 if you have  
any one of these signs.
